

Philbert Gomez
Vice President & Head, Digital Industry Singapore

Singapore Economic Development Board

Philbert is the Vice President and Head for the Digital Industry Singapore at EDB, overseeing global technology and media businesses in Singapore.

Phil leads a highly driven team who work through key global tech companies to drive growth for the industry. Aside from managing the interest of key accounts in the tech sector, Phil also leads a team which develops Singapore's resources to create competitiveness in AI and frontier technologies (e.g. Quantum)

Prior to this, Phil did 2 stints in the US where he lead EDB's market efforts in Texas and Latin America, and led EDB's interests with key tech companies.
